How Do I Sign Up for Pilates Reformer Classes or Private Training?

The JCCSF is pleased to offer a convenient online account for scheduling and managing your Pilates appointments. This account is distinct from your Fitness Center account, and takes just a few minutes to set up.

To set up your account:
1. Go to jccsf.org/mypilates to set up your account by creating a username and password.

Once your account is set up – or if you already have an account:
1. Go to jccsf.org/mypilates to log in to your account at any time.
2. Log in using the username and password you created during your account set up.
3. Once you’re logged in, look to the tabs at the top of your screen for options for scheduling, changing or canceling classes:

   **CLASSES:** allows you to register for classes including Reformer 1 – 2, Reformer 2 – 3 and Power-Full Reformer.

   Scroll through upcoming classes, or use the drop-down menus at the top of the screen to select a specific class type. Click on the class title for a complete description of the level of the class and prerequisites for the class, or click on the instructor’s name to see a bio.

   To register for a class, click the “Sign Up Now” button. If you do not have sessions purchased, you will be directed to a cart to purchase a package.

   **MY INFO:** displays your current account information and allows you to make changes to your profile or billing information, or to modify an upcoming reservation. To cancel or modify a reservation or classes, go to “My Schedule,” under the “My Info” tab, and click the “Cancel” link next to the appointment you wish to modify.

   Please note that private sessions/classes must be canceled online 24 hours prior to the start of the session/class. If you do not cancel on time you will be automatically charged in full.
